University of South Bohemia in České Budějovice Faculty of Science

Individual Study Plan in Doctoral Study Programme ZOOLOGY

Student:
(first name, surname, title)
Date of start of study:
Department: of Zoology
Supervisor:
(first name, surname, title, for external supervisor, name and address of workplace, telephone, email)
Faculty of Science guarantor:
(first name, surname, title, department – assigned only in the case of an external supervisor; he/she is responsib for administrative tasks in connection with the study)
Supervisor-specialist,consultant:
(first name, surname, title, for external supervisor, name and address of workplace, telephone, email)
Title of dissertation:
Date and location of submission:
Student's Signature:
Supervisor's Signature:
Guarantor's Signature (if assigned):
Workplace of AS CR cooperating in the tuition of the doctoral student:
Approval of director of institute of AS CR (if he/she has not already done it in the admission protocol):
Date
Discussed and approved by the specialist board on:
Name and signature of the specialist board's chair:

List of Mandatory course	s (the expected year/semester of completion is given in parentheses):
KZO/806 Literature review	(1./2.)
KZO/800 Doctor's Thesis,	Practical Part (every semester)
KZO/805 Doctoral methodo	ological seminar (every year)
OJZ/940 TOEFL ITP for D	octoral Students – Examination (must precede the OJZ/950 course)*
OJZ/950 Doctor's English	Examination (must be completed by the end of the standard period of study)*
FBI/801 Study stay I	
FBI/802 Study stay II	minimum duration 1 month
FBI/803 Study stay III	(at any time during the study)
KZO/907 Conference Prese	entation -in foreign language (at any time during the study)
FBI/D1 State Doctoral Examperiod plus one year)	mination (the latest date, including any re-examination, is the standard study
Elective courses (at least to	wo must be selected here, remove other courses):
KBE/013 Modelling for eco	ologists in R
KBE/049 Plant-animal inte	ractions
KBE/051E Advanced regre	ession methods
KBE/052E Advanced ordin	nation methods
KZO/064 Advances in phyl	logenetic research in zoology
KZO/103 Advances in Eco	logy
KZO/104 Molecular Metho	ods in Zoology II
KZO/105 Advances in Beh	avioural Ecology Research
KZO/107 Physiological me	thods in zoology
KZO/108 Practical writing	and communication
KZO/109 Critical Reading	in Ecology
KZO/396 Capture-Mark-Re	ecapture methods
Courses recommended by	the admission board in order to complement the courses taken previously
•••••	

In the attachment is included an **outline of the theme** (which may include: introduction, aim, - tested hypotheses, methods, expected results; extent approx. 1-2 pages), **timetable of work** (divided into years or semesters, apart from a timetable of experimental work it is to include a study timetable of set subjects and language courses, a timetable of the student's individual activities – seminars, participation in conferences, involvement in teaching activities etc.) and the **funding for the experimental work** including the involvement of the doctoral student in research projects.

^{*} The exams are waived for students from the United Kingdom, the United States, Australia, New Zealand, Ireland, English-speaking Canada and South Africa.
