Příloha: dotazník

Entrance foyer at the B building - Faculty of the Natural sciences. Questionnaire about the recent situation and possible improvements.

Hi, would you please invest a few minutes to let us know what do you like at the recent foyer and what we should change, eventually. Thank you!

1. At the morning, I usually come to the faculty from:

Nápověda k otázce: *Well, we would like to know the usual destination. Your fav Budweiser / Samson places are out of scope.*

- Home, I do have my own space in Ceske Budejovice
- From the school campus
- I live outside the town of Ceske Budejovice

2. When it comes to the recent foyer status, with how many stars would you rank it:

Nápověda k otázce: *Yes, the logic is "more stars, the better"*

☆☆☆☆☆☆ / 6

3. Can you estimate how much time do you usually spend at the foyer?

Nápověda k otázce: *Only one answer here, please*

- I do not dwell there at all, just passing through
- Only the necessary time (e.g. before exam or when I need a drink / coffee from the wending machine / coffee machine)
- I spend there even longer time, from time to time (yes, this is a rhyme). I'm usually chatting with co-students, reading, studying, using Wi-Fi)
- I'm spending there a longer time regularly. (e.g. waiting before the lectures starts)

4. Here we need your help to know students needs a bit more specific way. Tell us please whose activities matching best to yours when you dwell in foyer.

Nápověda k otázce: *You can mark one or more options.*

- chatting with other students
- meeting with other students to discuss project / school topic
- waiting for lectures
- waiting for exams
- buying and sipping hot drinks or drining the cold ones (yes, we are exact)
- eating home made food
- reading
- working on computer or phone (or at least, pretending it)
- joining official faculty events
- curiously looking to the show up windows and spending time with fossiles and other things there
- reading wall boards (if so, which ones)
- any other significant activities we haven't mentioned yet (let us know which ones)

5. Is there any other activity you would like to do in the foyer, but at the moment this is not possible or not comfortable?

Nápověda k otázce: *Holy moly, yes, it comes to our minds too, but let's focus on activities people usually do in public space without being punched or arrested (or both), ok?*

6. Imagine you are the boss of 100 points. Your task is to assign those to the different kind of furniture, according to your sympathy.

Nápověda k otázce: *Not 99, nor 101. Your Kingdom of Points is exact 100. And you are the scientist. You know what exact mean.*

Rozdělte: 100 bodů
